

## Pro Strength Diesel Fuel Booster

### PRO-STRENGTH DIESEL FUEL BOOSTER

Nulon Pro-Strength Diesel Fuel Booster is a fast-acting formulation designed to immediately improve diesel engine combustion and performance. The advanced additive chemistry boosts acceleration, turbo response and promotes smoother running, whilst minimising engine rattle and knock in cold-start conditions. Developed with Nulon Keep-Clean technology, it is suitable for use in all diesel vehicles fitted with DPF and SCR exhaust gas aftertreatment systems.

### Benefits

- Increases engine power and acceleration & Increases cetane number up to 7 numbers
- Promotes increased engine efficiency & Boosts diesel combustion efficiency
- Improves fuel economy
- Keeps fuel injectors clean and prevents injector sticking
- Compatible for all modern diesel vehicles and with bio-diesel
- DPF and SCR compatible

### Directions for use

One bottle treats up to 100 litres of fuel. Add directly to fuel tank. Prevent contact with paint (if spilt, wash off paintwork immediately).

### Safety / First Aid

**SAFETY:** Combustible liquid. May be fatal if swallowed and enters airways. Use personal protective equipment as required. Keep away from heat/sparks/openflames/hot surfaces/other ignition sources. No smoking. Store locked up.

**FIRST AID:** IF SWALLOWED: Immediately call a POISON CENTER/doctor. Do NOT induce vomiting. For advice, contact a Poisons Information Centre (e.g. phone Australia 13 11 26; New Zealand 0800 764 766) or a doctor (at once).

**ENVIRONMENT:** Harmful to aquatic life with long lasting effects. Avoid release to the environment. Dispose of contents/container in accordance with local regulations.

### Pack Sizes

**Part No: PSDB**  
500 ml - 6 Per Carton  
Barcode: 9311090010215
